STYLE THAT
FOLLOWS
YOUR RHYTHM,
SOUND THAT FILLS
YOUR HEART

Live your music with the Vibe Bluetooth Player. Spice up your parties or dance with yourself. The sleek and easy to use controls make sure nothing gets in the way of your celebration. Powerful bass and crisp sound will make the Vibe Bluetooth Player your new favourite music buddy.

BLUETOOTH PLAYER & HI-FI SPEAKERS

LET THE MUSIC TAKE YOU
HIGHER, LET THE RHYTHM
TAKE CONTROL.

- Compatible with the Vibe
- SmartHomes App
- Stream music from any Bluetooth enabled device
- Style that suits your décor

VIBE BLUETOOTH PLAYER & HiFi SPEAKER IS AVAILABLE IN BLACK & WHITE COLOUR VARIANT.

**WELLBEING,
COMFORT
AND
SECURITY.**

The passive infrared technology based Vibe Smart Motion Sensors can turn on a single light or control your entire home. Save power by automatically switching off the lights and other devices when you aren't around. When you are away, these sensors can double up as security devices and notify you of any suspicious activity in your home. A perfect combination of savings and security.

- Compatible with the Vibe SmartHomes App
- 'Armed' mode for security when you are away
- Style that suits your décor

**LIGHTS WHEN YOU WANT,
SECURITY WHEN YOU NEED**

SMART MOTION SENSORS

VIBE PIR SENSOR IS AVAILABLE IN BLACK & WHITE COLOUR VARIANT.

SMART IR CONTROLLER WITH TEMPERATURE SENSOR

CLIMATE CONTROL FOR THE PERFECT AMBIENCE

Climate control has never been easier. Get the temperature right every time with the Vibe Smart IR Controller. Come home to the perfect ambience every day using remote climate control over the Vibe Cloud or schedule your air conditioner for the perfect temperature through the night. Control all your air conditioners with the Vibe SmartHomes App and bid adieu to all the clumsy remotes.

- Compatible with the Vibe SmartHomes App
- 'Armed' mode for security when you are away
- Style that suits your décor

VIBE IR BLASTER & HUMITURE SENSOR IS AVAILABLE IN BLACK & WHITE COLOUR VARIANT.

UNCOMPROMISED SAFETY FOR YOUR LOVED ONES

Safety is, undoubtedly, the number one priority in our lives. The Vibe Smart Gas Sensor provides accurate tracking of LPG/CNG leakages and will notify you of the possible hazard. Safety measures need to be proactive and the Vibe Smart Gas Sensor can automatically turn off the gas supply in case of leakages. The beautifully designed Vibe Smart Gas Sensor is not only a safety device but will also add style to your modern kitchen.

- Compatible with the Vibe SmartHomes App
- Gas valve available for automatic shut off in case of leakages
- Style that suits your décor

VIBE GAS SENSOR IS AVAILABLE IN BLACK & WHITE COLOUR VARIANT.

SMART GAS SENSORS

**PRESERVE YOUR
PRIVACY,
PROTECT YOUR
LOVED ONES**

Home security is, now, more important than ever. The Vibe Video Door Phone and Display Console let you see and talk to your guests before you choose to welcome them. Even when you're away, you can always talk to your visitor using the Vibe Cloud service. Apart from the real-time security, the stylishly designed Vibe Video Door Phone will add glamour to your door.

**UNPARALLELED SAFETY &
PRIVACY**

**VIDEO DOOR PHONE &
DISPLAY CONSOLE**

- Compatible with the Vibe SmartHomes App / Vibe Cloud

IP OUTDOOR CAMERA

PEACE IS
WHERE
SECURITY IS

Home is where your heart is. And worrying about its security can be quite the burden. Keep an eye on your neighbourhood or watch the kids' play in the garden from wherever you are with Vibe IP Surveillance cameras. The always available Vibe Cloud services make sure that your peace of mind is only a click away.

- Compatible with the Vibe SmartHomes App / Vibe Cloud
- Best in class image and audio quality
- Style that suits your décor
- Plug and play easy installation without any wiring

IP SURVEILLANCE CAMERAS

IP DOME CAMERA

IP PAN TILT CAMERA

CONTROL AND VIEW
YOUR CAMERAS ANYWHERE,
FROM THE COUCH TO
THE OFFICE VIA VIBE APP.

VIBE SMART REMOTE

ONE SYSTEM,
MULTIPLE
CONTROLS,
UNLIMITED
COMBINATIONS

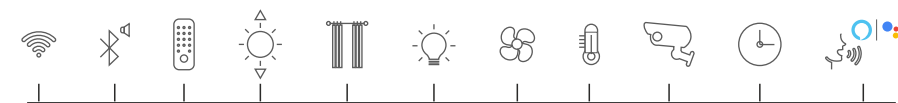

Never leave the couch, unless you want to. Even if your phone is on the charging desk, be in complete control of all your devices with the Vibe Smart Remote. The ergonomically designed Vibe Smart Remote lets you instantly transform your home from a party joint to a movie theatre with a mere press of a button. The Vibe Smart Remote, designed for perfection, is guaranteed to bring you the convenience and control you always wanted.

VIBE SMART HUB

Many devices, one master. The Vibe Smart Hub is your gateway to all the devices in your home. This power-packed marvel of technology is at the center of the smart home. The multi-featured Vibe Smart Hub allows scheduling of devices, recalling your favourite scene settings, streaming videos from your security cameras and sending security related notifications to your smartphones or tablets. With restricted access, you can choose who can control which devices and even when. Sorry kids, no more late movie nights! All this in a beautiful package that will certainly compliment your home.

SMART
DEVICES,
SMARTER
INTERFACE

An app to control your home, set mood lighting , scenes, schedule, automate, monitor and secure your home from anywhere in the world with the ease of a user interface designed with elegance and simplicity in mind.

VIBE SMART APP

Apple Store

Google PlayStore

THE VIBE SMARTHOMES APP HAS BEEN DESIGNED WITH ONE PRINCIPLE IN MIND: SIMPLICITY.

ALL THE MAGICAL FEATURES OF THE VIBE SMART HOME SYSTEM ARE NEATLY PACKED INTO AN ELEGANT INTERFACE THAT ALLOWS YOU TO CONTROL YOUR HOME WITH AS LITTLE EFFORT AS POSSIBLE, SO YOU CAN FOCUS ON THE MORE IMPORTANT THINGS IN LIFE. LET’S HAVE A LOOK AT SOME OF THE FEATURES OF VIBE SMARTHOMES APP.

WHETHER YOU WISH TO CHECK ON YOUR KIDS OR TURN OFF YOUR WATER HEATER WHEN YOU'RE AWAY, YOUR HOME IS NEVER FARTHER THAN A CLICK. GET REAL TIME NOTIFICATIONS WHEN YOU HAVE GUESTS OR IF THERE’S BEEN AN UNFORTUNATE EVENT LIKE A GAS LEAK OR A BREAK IN. STAY CONNECTED WITH YOUR HOME. ALWAYS.

QUICK AND EASY CONFIGURATION

Quick and Easy Configuration:

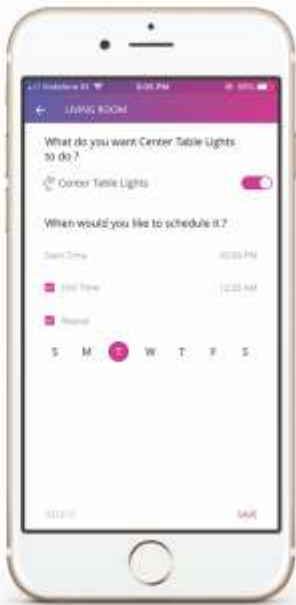

The user interface is simple enough for kids and elders alike

ADD AND RESTRICT ACCESS TO USERS

Control User Access:

Grant access to anyone you want or provide restricted access to guests. All it takes is a couple of touches.

SET SCHEDULES

Setting schedules for your devices and scenes is as simple as setting an alarm on your phone.

SET SCENES WITH JUST ONE TOUCH

Setting a scene has never been simpler. Like your current room setting, just tap and save it as a scene.

RECEIVE INSTANT ALERTS

Receive Instant Alerts:

Get alerts for unfortunate events like a gas leakage or a break in even when you are not around.

EASY REMOTE CONFIGURATION

Easy Configuration:

Customize your devices, sensors and controllers just the way you want.

WORLDWIDE ACCESS TO YOUR CAMERAS

Access your cameras from anywhere:

Missing your kids? Or worried about your pet? Watch them on your phone in real time no matter where you are.

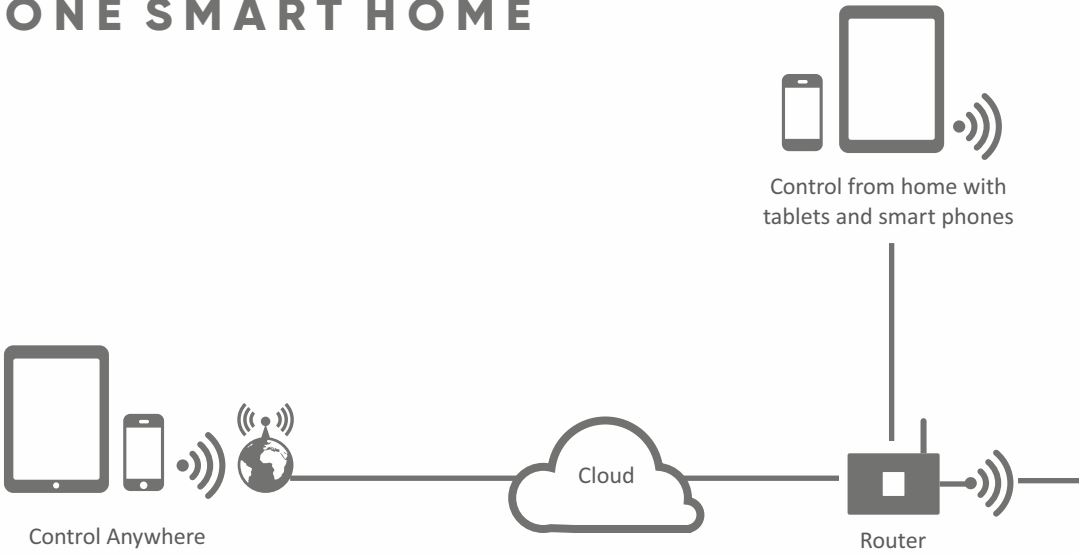

GET GUEST NOTIFICATIONS ANYWHERE

Get Guest notifications:

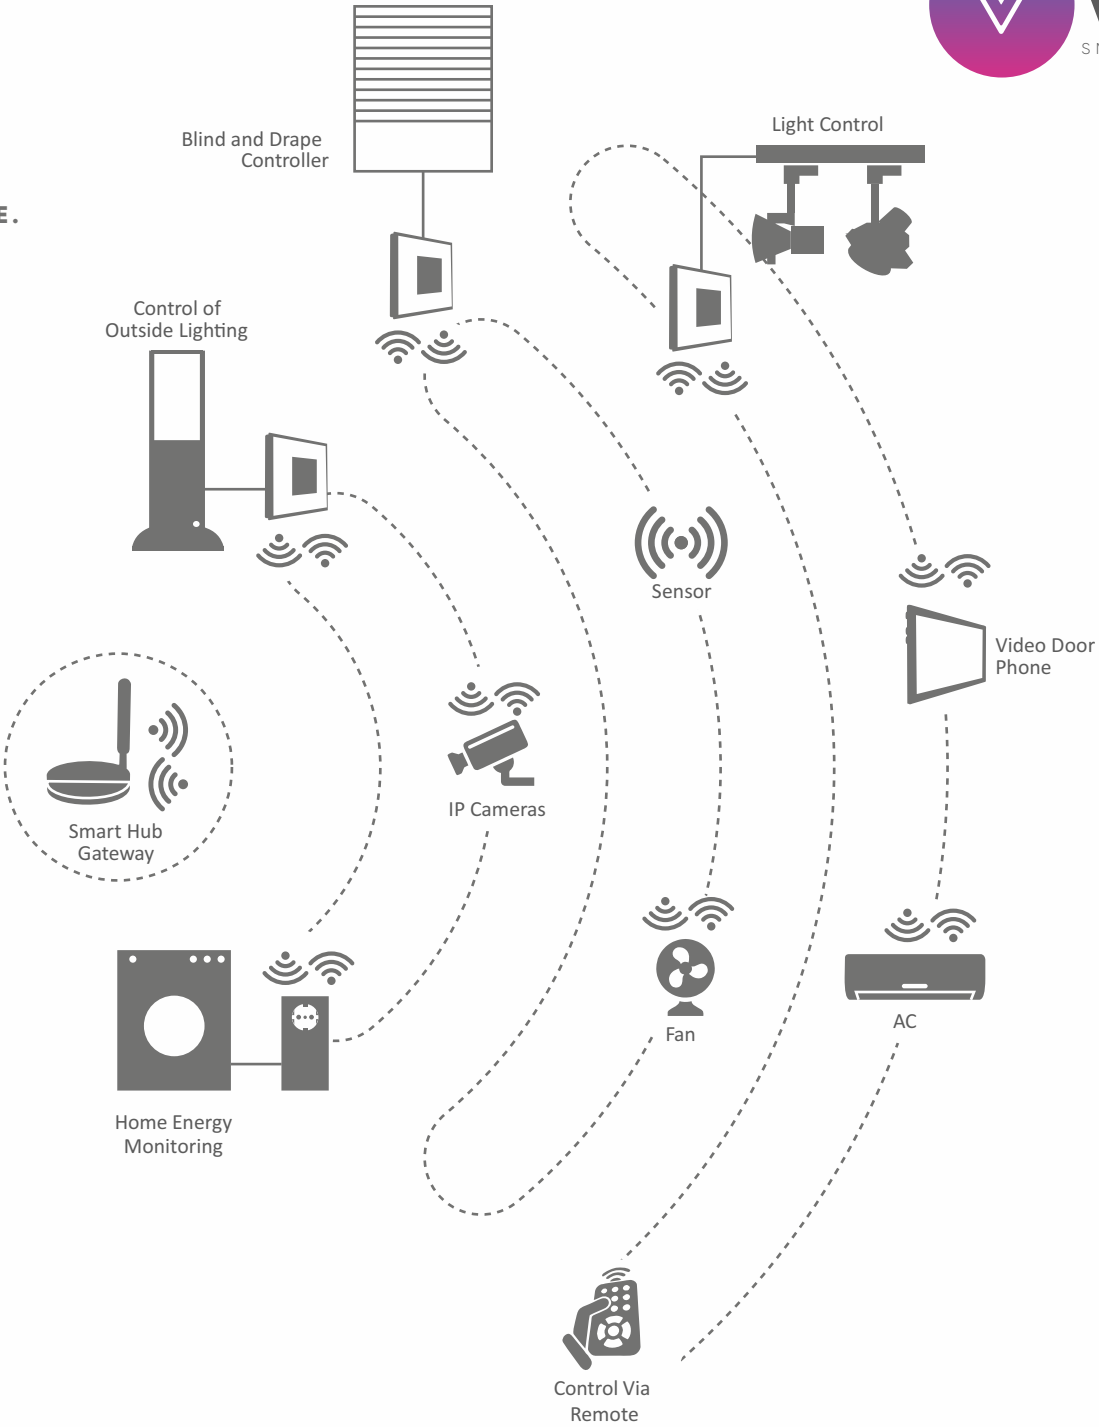

See who's at the door even when you are not at home by enabling notifications for your Smart DoorBell.

CONVERGING ALL TECHNOLOGY INTO ONE SMART HOME

Once the Vibe Smart Hub is connected to your Wi-Fi router, open the Vibe SmartHomes app and click on Scan for Gateway. Follow the configuration screens to add the Gateway to your phone. Add all your devices, sensors and cameras using the extremely intuitive user interface. Once configured, you'll always be connected to you home. Equipped with military grade encryption on all devices as well as the App, the Vibe Smart Home system gives you peace of mind like none other. Our team is dedicated in providing timely updates with new features for both, the Vibe SmartHomes App as well as the Vibe Smart Hub, making sure your home will always feel better than before.

TAKE CONTROL OF
AND MONITOR YOU
HOME FROM
WHEREVER YOU ARE.

THE FUTURE OF A CONNECTED
WORLD IS UPON US. OUR FAMILY
AND FRIENDS ARE ALREADY JUST
A THOUGHT AWAY. WHY LEAVE
BEHIND THE NEXT MOST
COVETED THING, OUR HOME?
THE FUTURE IS SMART HOMES.
THE FUTURE IS CONNECTED
HOMES. THE FUTURE IS VIBE.
